# Forward

The curtain is going up!

The show is on!

We, the annual staff, hope you enjoy this 1951 Tower Annual.

We think you will treasure its contents not only at the present, but in the years to come.

But we feel that the book needs no introduction. All we shall say at this time is: "On with the show!"

Our trustees who served for the welfare of the school were Mr. Frank Wiggin, Dr. Lloyd Henry, Mr. Marvin Miller, Mr. George Murphy, Mr. Gus Schmiedt, and Mr. Victor Marquis, who joined the board when Mr. Wiggin resigned. Mr. Marquis is not in the picture.

BOYS

Mr. B. E. Claypool

After serving only one full year as superintendent Joseph L. Blanchard left our school to return to active duty in the U. S. Marine Corps.

Mr. B. E. Claypool replaced Mr. Blanchard and completed the term as superintendent.

Mr. Gordon L. Axford

Mr. Gordon Axford became our new vice-principal after Mr. Blanchard's departure.

He was very prominent in the student affairs. He helped the students in the reinstatement of the student court, the revision of the school constitution, and the supervision of the school elections.

"The quality of mercy is not strain'd: It droppeth as the gentle rain from heaven upon the place beneath. It is twice blest—It blesseth him that gives, and him that takes."

Mr. John Phillips checks the attendance for the day.

# Through the year we have been guided and directed by our deans.

Miss Ollie Hoffman talks to Pat Woodworth.

Two of the best known people in school are our deans, Miss Ollie Hoffman and Mr. John Phillips.

Throughout the year they took care of people who were either absent or tardy.

To Miss Hoffman and Mr. Phillips we owe our sincere thanks for their efforts in our behalf.

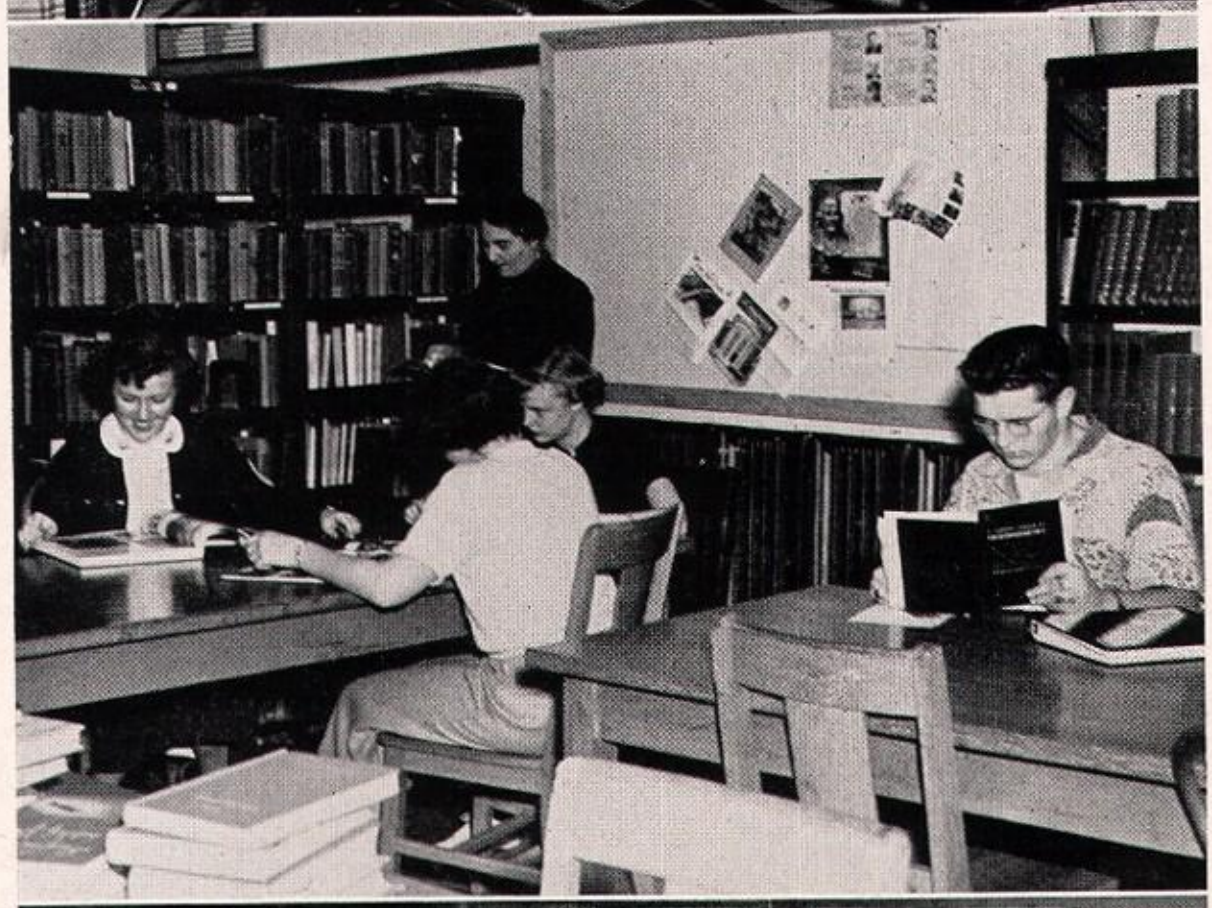
# Act I

# Classes

Here the innocent freshmen receive an introduction to the business world. This seventh period class is under the supervision of Mr. Walter Naiman.



This year the library was under the direction of Miss Romilda Puccinelli. Many new volumes were added and many old ones were replaced as our library continued to grow.

Here we find the typical social problems class—one where seniors have a chance to solve their own personal problems.

Mr. Norton teaches his afternoon class of algebra. He also teaches trigonometry, solid geometry, and plane geometry.

The typing class is seen taking their daily timed writing under the direction of Miss Lothrop.

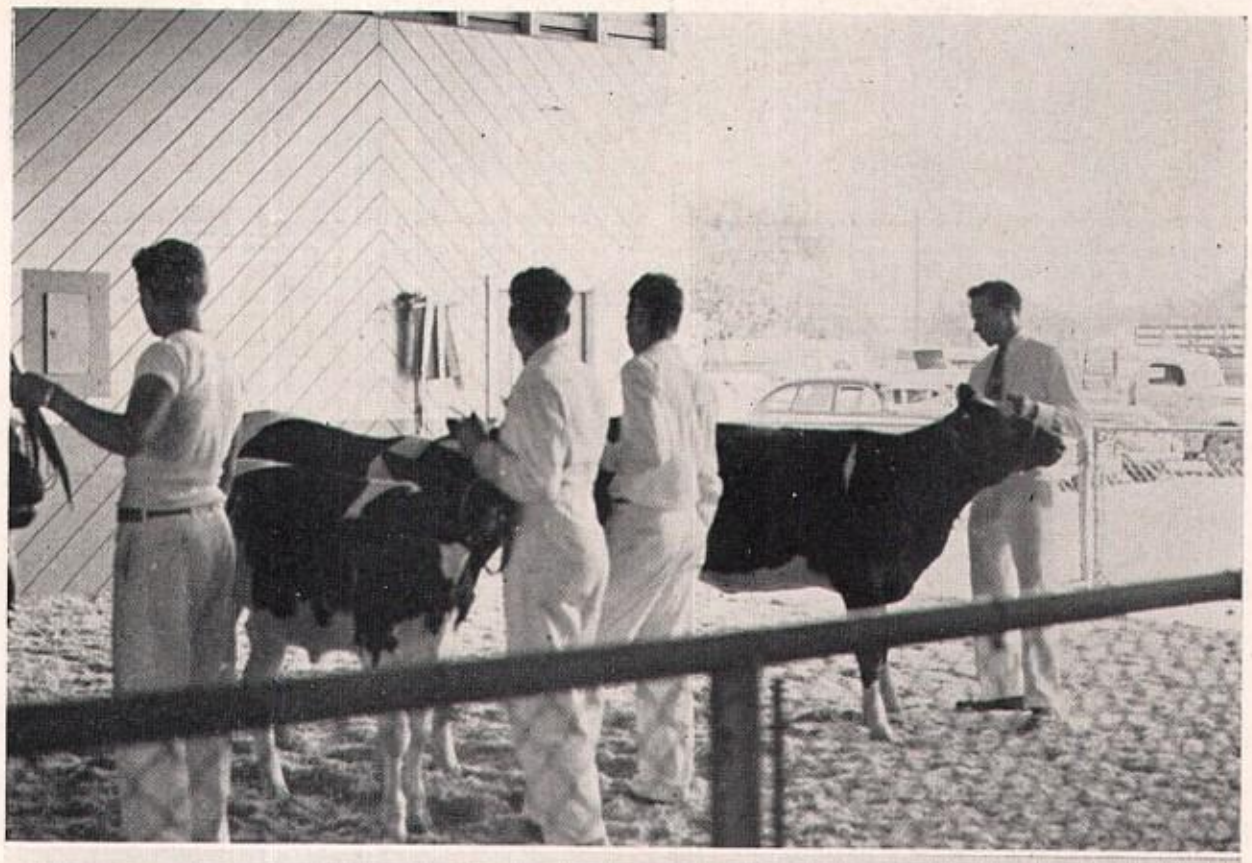
Shop encourages students to develope their manual skills. Mr. Shimmin is shown here directing a class of boys in wood shop.

A thorough study of American literature and English grammar is included in this English course of Mrs. Rhoads.

Mr. Phillips' seventh period study hall, a supposed place of study, is better known as the teacher's nightmare!

Freshman girls take one period of homemaking. Here we see some freshmen girls making bran muffins under the direction of Mrs. Rosemary Long.

The Manteca agriculture department is known for its outstanding achievements in farming, service, and scholarship. The FFA is an integral part of the department.



Physical education is required of all boys and girls who attend MUHS. They participate in various sports and activities, learning skill and sportsmanship.

Mr. W. O. Osterhaus conducts one of his chemistry classes. Some of the students in the picture are reportedly mixing water with $H_2SO_4$.

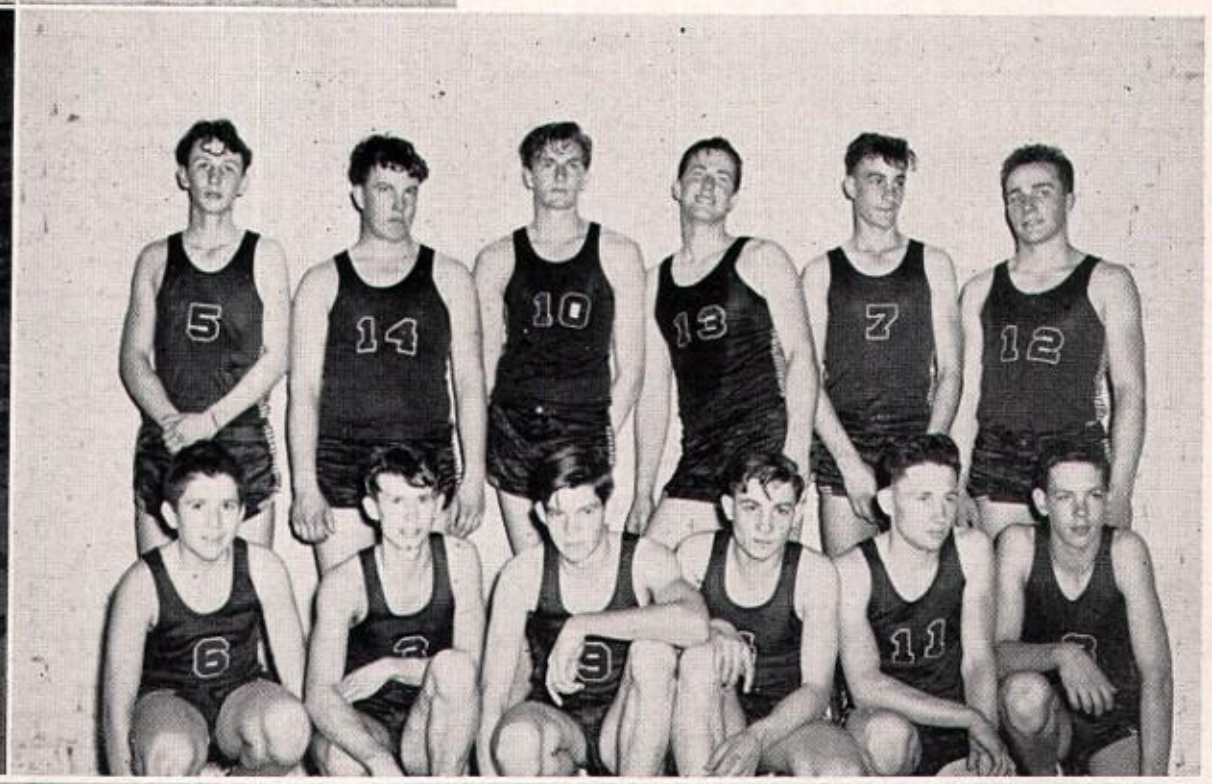
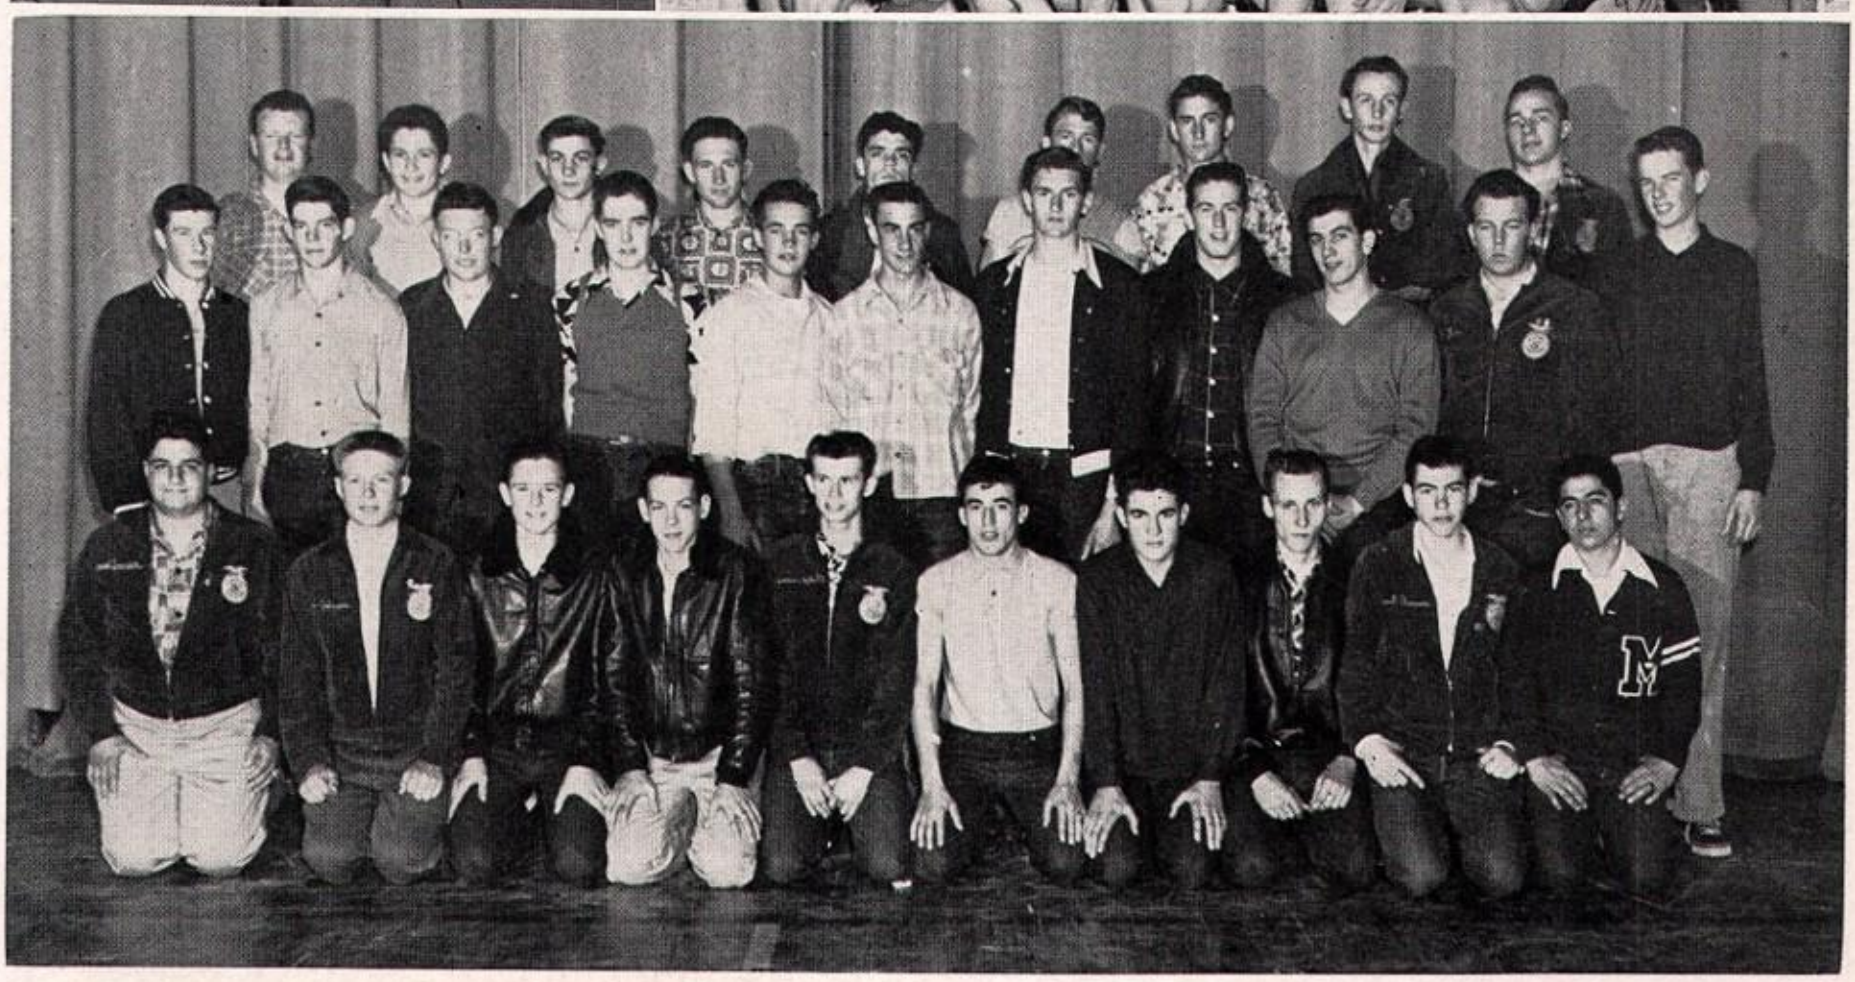
The primary aim of the Future Farmers is the development of agricultural leadership, cooperation and citizenship. However, the boys also took an active interest in sports, with over forty taking part in the basketball recreation program.

The Future Farmers formed one of the largest and most active organizations in school. This is appropriate because of Manteca's location in the heart of the farming district.

"What's in a name? That which we call a rose by any other name would smell as sweet."





Mr. Christensen, band director

Bob Escobar, vice-president; Dorothy Cardoza, secretary; Barbara Rowe, librarian; and Mearl Lucken, president.

An important problem facing the music department this year was the fund drive for new uniforms, a project well accepted by the community.

The annual trip to Kezar Stadium for participation in the East-West Game highlighted the activities; the Annual Spring Concert completed the activities for the year.

"If music be the food of love, play on, Give me excess of it, that, surfeiting, The appetite may sicken, and so die."

Manteca's tradition of hard-playing, winning football teams was carried on this year.

The 1950 squad suffered only one loss, a 13-12 steback at the hands of Ceres. The fighting Buffaloes defeated Oakdale, Livingston, Sonora, and Tracy.

In pre-league games, the Buffaloes downed Stockton College, Hayward, Christian Brothers, and St. Mary's.

"They jest at scars, but never felt a wound."

Dave Crockett

Manteca's strength was the determining factor which brought victory in the season's first league game with Oakdale.

The chief ground gainer of the game was sophomore fullback Mariano Valenzuela whose terrific drives set up one tally in the first period and scored another touchdown to conclude the scoring with an 18 to 0 victory.

Cited as outstanding players were Jim Martin and Mariano Valenzuela in the backfield with Paul Wiggin and Chuck Snyder in the line.

## MANTECA vs CERES

Losing their first game after twelve consecutive victories, the rampaging Buffalos were halted for the only time this season with a 13 to 12 score.

One point in the form of a conversion was the difference between defeat and victory.

Ceres opened the game by recovering a Buffalo fumble deep in the Manteca territory and belting it across from there.

The mighty Buffalo stormed back to take the lead with two touchdown passes from quarterback Ray Dellevacchia to end, Keith Grieve. Both conversion attempts were missed.

A fourth down pass in the last quarter set up the final touchdown made by Ceres. The conversion attempt was good to send the toppled Buffalos home in despair.

A strong Manteca line stopped the opposition short.

## LIVINGSTON

Back into the winning column the mighty Buffalos once again found victory by trouncing the Livingston Wolves 33 to 7. Hitting their stride with a touchdown in every period, the speedy and hard charging Buffaloes outclassed the much heavier Livingston team.

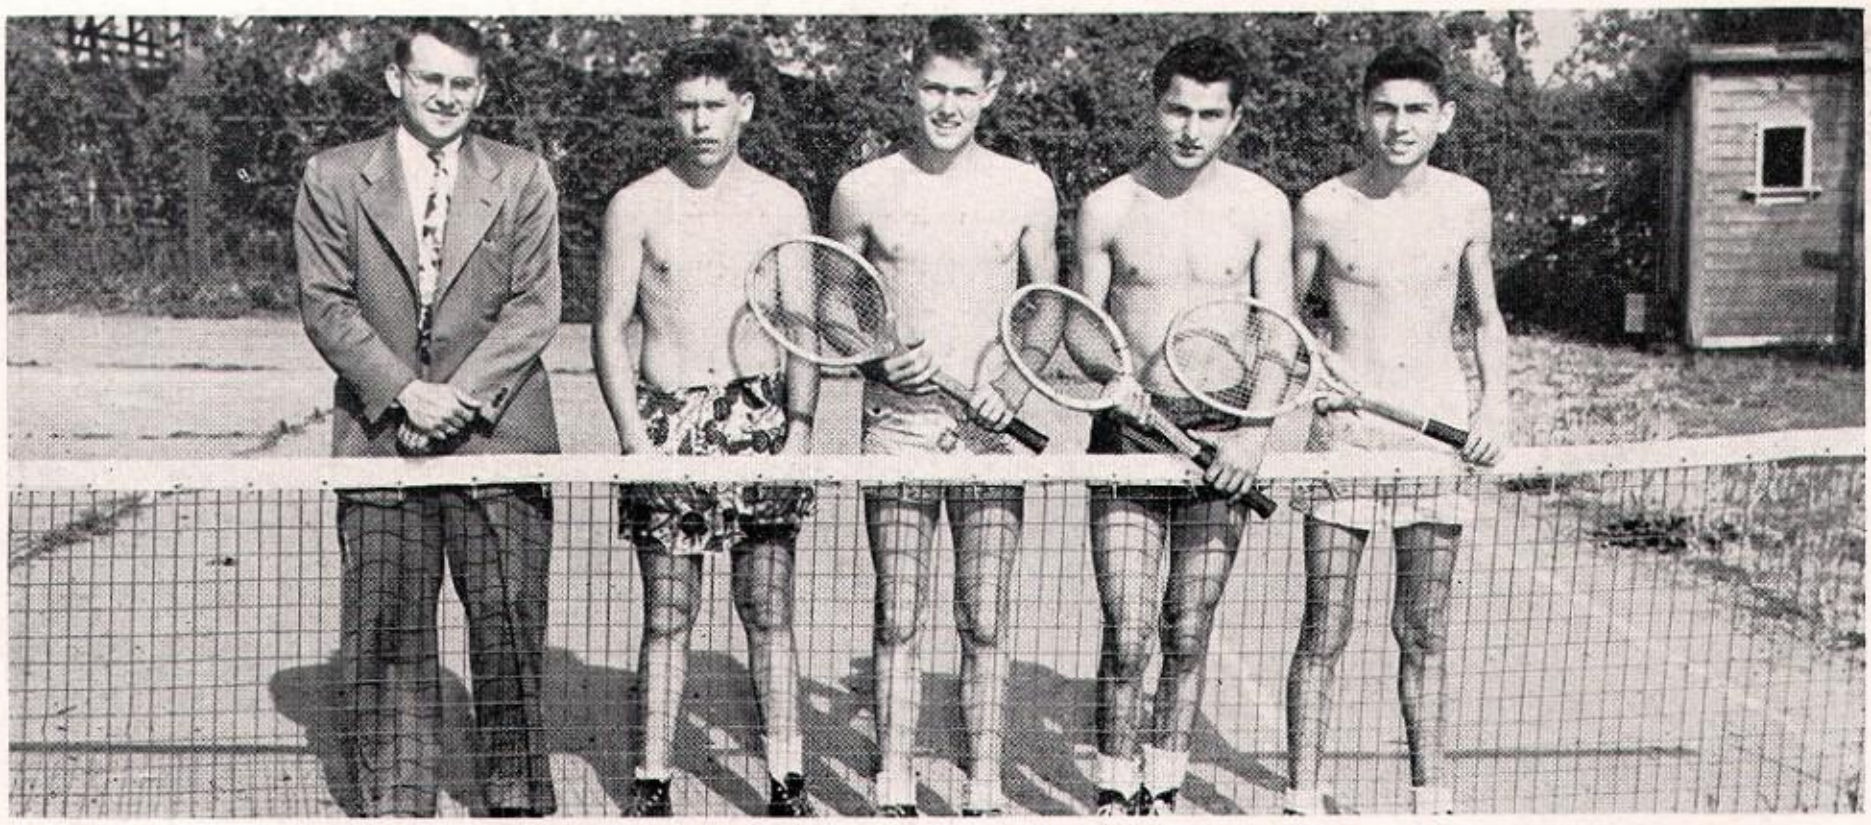
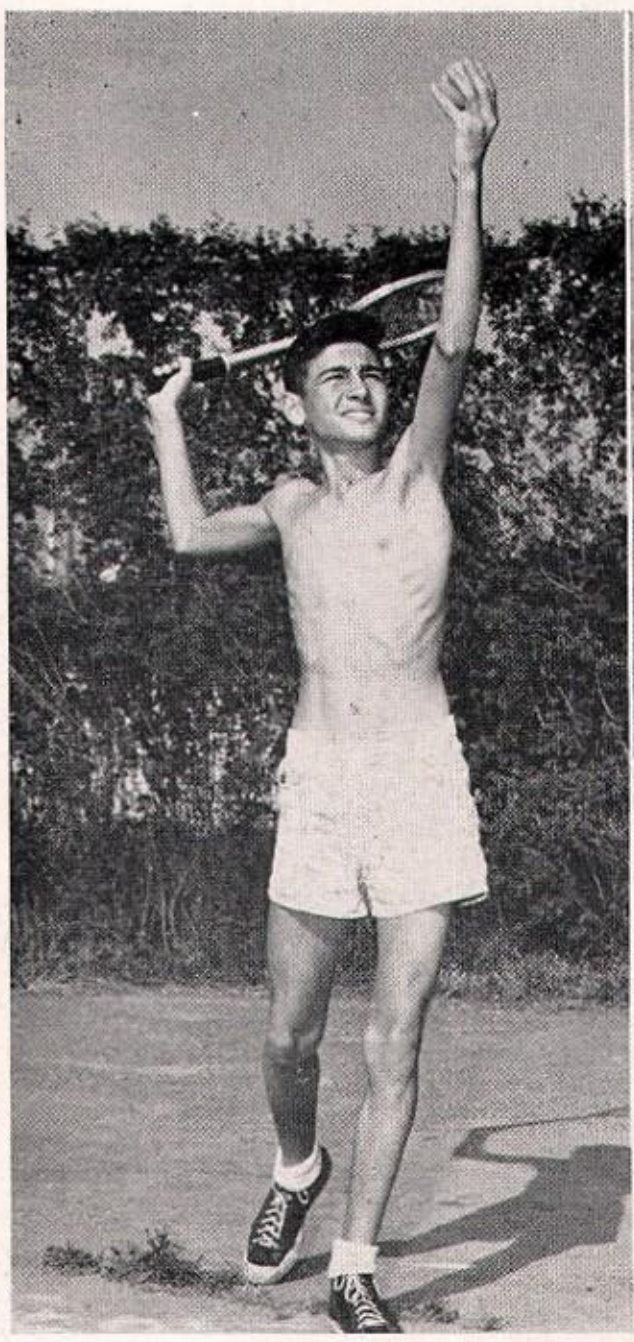
This year's track team was one of the best that Manteca has produced in many a season. Here we see some of Manteca's top performers in action. Among them are Bob Zanetti, who is pole vaulting, and Bob Acoba, who is broad jumping.

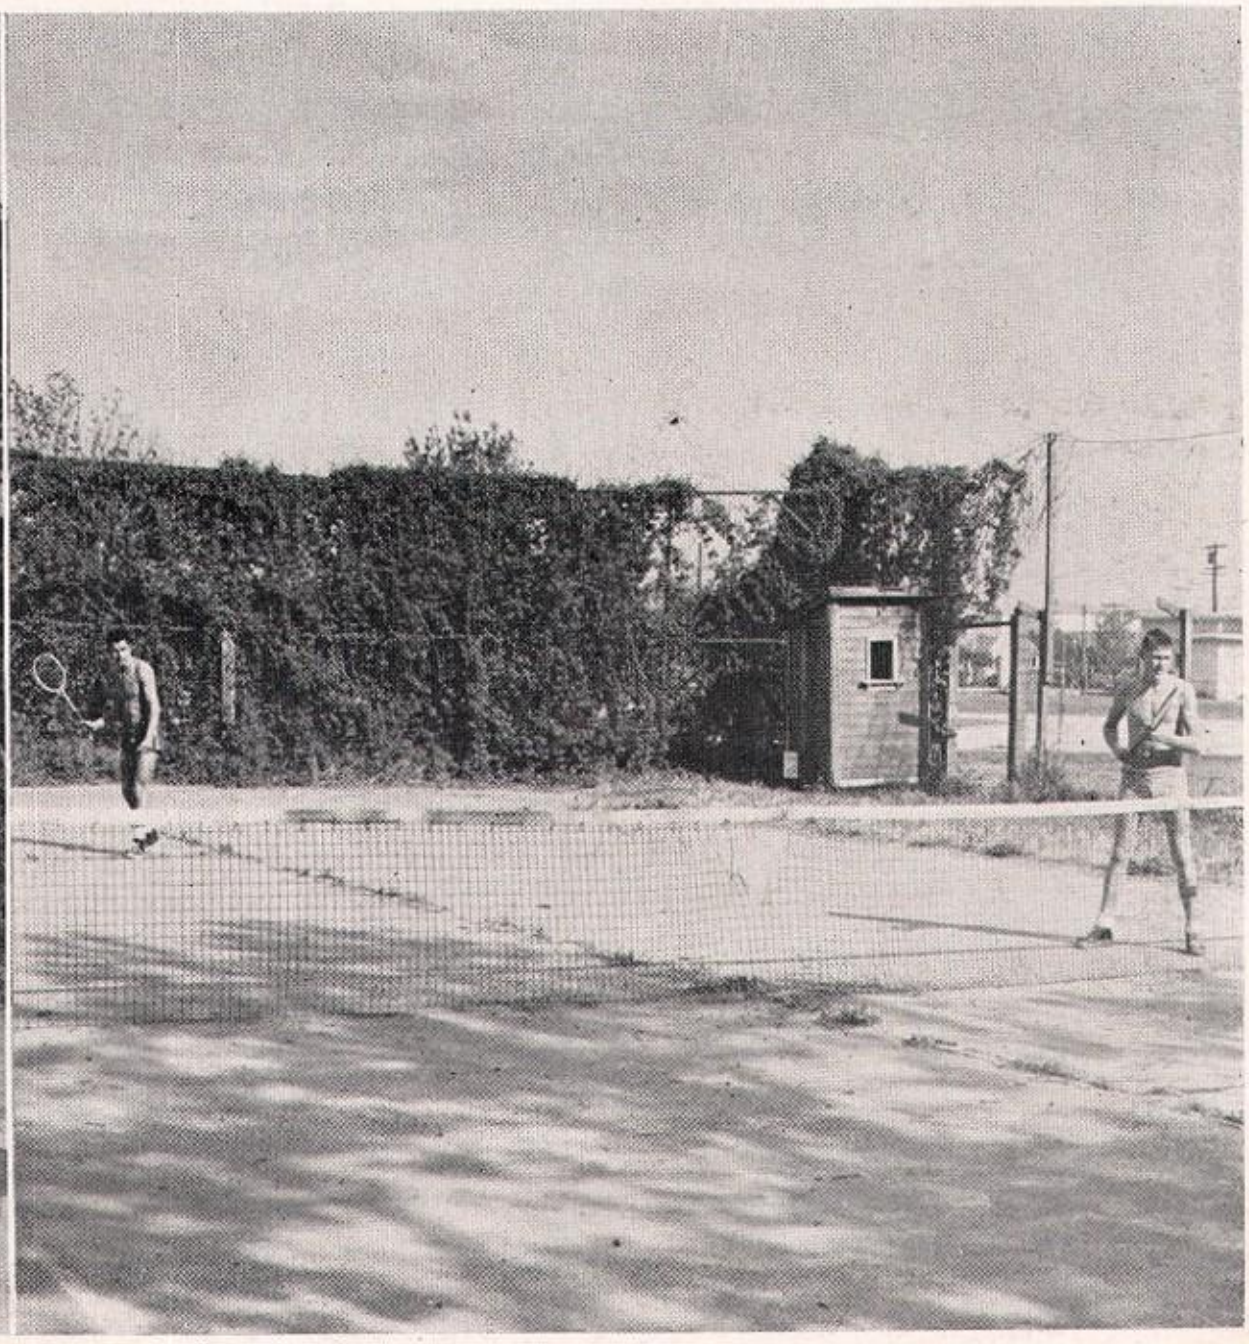


MUHS Tennis Team consisted of Mr. Fatzer, coach, Duanne Adams, Richard Gustin, Ted Valdez, and Larry Conterno. Missing from picture are Mearl Lucken and Charles Honodel.

# Tennis had its place among the sports

Larry Conterno demonstrating the tennis serve.





Seniors fought for and won the hockey championship

# Strength and skill won the championships

Volleball drew interest from all classes.

Softball was enjoyed by many girls in their P. E. classes.

# Sportsmanship was gained by intramural competition

Basketball provided plenty of competition for the ethusiastic.

The girls applied skills and techniques to active basketball games.

MGAA members participated in after-school sports.

The tennis ladder was filled by girls with an active interest in the popular game.

# Minor sports encouraged individual interest.

Swimming offered another new sport field for girls.

The girls learned new badminton techniques.

# Acknowledgments

As the curtain comes down on the 1951 Tower Annual, we look back over the year and recall the many people who are connected with this book's production. We would like to take time here to thank these people.

First, our thanks go to Mr. Dale Johnson and his assistants, who were responsible for the fine photography you have seen in this book.

Next, we are deeply indebted to Mr. Charles Warmer and the Stockton Photo Engraving Company, whose fine workmanship is displayed on every page where there are pictures. Mr. Warmer, besides having our cuts made, gave us many valuable ideas which helped us to solve the problems that faced us.

Mr. H. J. Tolliver of the Tolliver Printing Company in Lodi deserves our gratitude for his fine job of printing the Tower.

We wish to thank our many patrons, who, through their purchase of ads and boosters, made this annual an actuality.

We must acknowledge, too, our gratitude to William Shakespeare, from whose works we borrowed freely for the quotations in this book.

Finally, we wish to thank Mrs. Grace Rhoads, Mr. Edward Clucas, Mr. Robert Rybiski, and Mr. Raymond Ellam who advised and helped us throughout the year.
